

This was the 2nd Annual Chapter 317/Nicholson's -Sponsored Heritage Adventures Ride, helping support a 98% barrier-free playground for disabled children, to be located in Ypsilanti Township, Michigan's Ford Park. While morning thunderstorms dampened the turnout, 20 motorcycles and 8 officers of the Washtenaw County Sheriff's Department enjoyed a rain-free 60 mile ride, food, and shared in more than \$4,000 in donated prizes. The ride raised more than \$1,500 toward the playground funding project. Heritage Adventures has now almost completed funding and groundbreaking is anticipated in the spring of 2006. Watch here for details on the 2006 Heritage Adventures Ride. We need you to join us!
